BAHNHOFBUFFET

RESTAURANT – LOUNGE – SEMINAR

OUR ROOMS

Located on the first floor of Bahnhofbuffet Olten, six newly renovated and fully accessible seminar and meeting rooms are available for your events. Modernly equipped, centrally located and easy to reach, they provide an ideal setting for productive gatherings.

Each room is named after a personality closely connected to the city of Olten, or an institution that has helped shape its development over the years. The result is a collection of spaces with history and character, fitting for a house that has brought people together for generations.

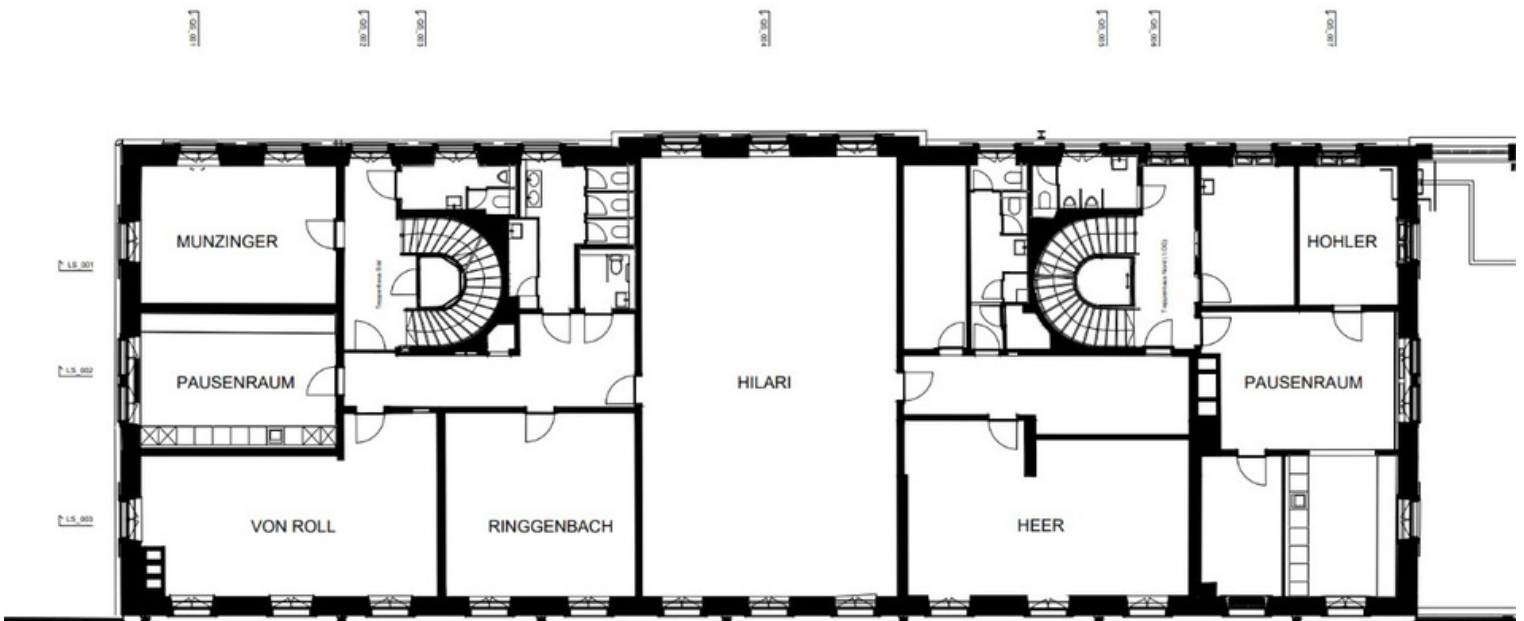

Our rooms can be booked through straightforward packages or tailored modularly to suit your individual requirements. Whether you are planning a brief meeting, a workshop or a full-day seminar, we create the right environment for focused and meaningful exchange.

Complement your event with an apéritif, a shared lunch in our restaurant or a relaxing drink in the lounge to round off the day.
